Diageo

13:35 Round the Room Introductions

All

13:50 Succession Planning, Organization Charts

Are you looking to achieve organisational efficiency and transparency
And can gain deeper insight into your talent with real-time data visualisation.
This presentation will cover the options for organisational charting
and will explore SAP Succession Planning and Visualisation along
with the benefits of integrated Talent Management processes.

Michelle Packer
SAP

14:35 Coffee & Networking

15:00 Visualising the Organisation using SAP Certified technology

When it comes to visualizing data in your SAP HCM system, SAP certified
Nakisa technology provides state of the art views of your organisation,
employee data and succession plans. During this session you will see
how data is presented and have an opportunity to understand factors that
should be taken into account. Customer case studies will be presented.
Join us to see a glimpse of the future of SAP HCM visualisation.

Simon Humphreys
ROC
